Career Fair Plus app & Company List 	The Career Fair Plus (CF+) app is the best way to view information for the career fair and additional upcoming career events. CF+ will have the full company list, table maps, and event-related announcements. To access Fall Engineering Career Fair information on Career Fair Plus, use the following instructions: 1. Download the Career Fair Plus app in the App Store or Google Play Store 2. Select "University of Michigan Engineering" as the Organization 3. Select "Fall Engineering Career Fair, hosted by SWE/TBP" as the Event CF+ can also be accessed via desktop at: https://app.careerfairplus.com/ume_mi

Career Fair Preparation	The Fall Engineering Career Fair hosts companies over two days that are interested in recruiting Michigan Engineering students for internships, co-ops, and full-time positions. Students are encouraged to research the companies attending in advance of the event. For Career Fair Preparation tips, including how to research companies, visit: https://career.engin.umich.edu/career-fairs-students/#prep
Career Workshops	The ECRC hosts Career Development Workshops on a variety of topics throughout the year, including a Career Preparation Workshop. Self-paced Canvas Modules on various career development topics are also available. To view the workshop schedule, visit: https://career.engin.umich.edu/events/workshops/
Resume Tips	A polished professional resume is key to career fair success! Learn how to create and edit your resume here: https://career.engin.umich.edu/resumes-cvs-cover-letters/
The Elevator Pitch	The Elevator Pitch, or 60-second introduction of yourself, is how you present yourself to an employer and start a memorable conversation. To learn how to craft your personal elevator pitch, visit: https://career.engin.umich.edu/career-fairs-students/#pitch
What to Wear	At Michigan Engineering, the recommended attire for Career Fairs is Business Casual. To learn more, visit: https://career.engin.umich.edu/career-fairs-students/#attire
Coat and Backpack Check	A Coat and Backpack Check will be available in the Pierpont East Room on both days of the Career Fair from 9:30 AM - 4:30 PM. Volunteer support for this service is provided by Engineering Global Leadership (EGL). If you check in your bags, it is recommended that you bring a folder or padfolio to hold your printed resumes.
After the Fair	After the fair, make sure to apply to all jobs of interest within 24-48 hours. Additionally, if you received contact information from a recruiter, you can follow up to thank them for their time. View example Thank You Emails here: https://career.engin.umich.edu/thank-you-notes/ Companies may invite candidates to interview shortly after the Career Fair. To learn about interview preparation tips, visit: https://career.engin.umich.edu/interviews/ Many companies attending the fair will also post jobs within Career Forge.
